FOR

MANSOUR
MODERN

Internationally celebrated interior designer Jeff Andrews and global rug impresario Benjamin Solemani debut Jeff Andrews Collection for Mansour Modern. The designer's first collection of rugs blends bold, contemporary concepts with traditional handmade craftsmanship. Featuring eight new designs in multiple colorways, each rug is handwoven of the finest wool and silk. The collection is available via Mansour Modern showrooms in Los Angeles, New York and London.

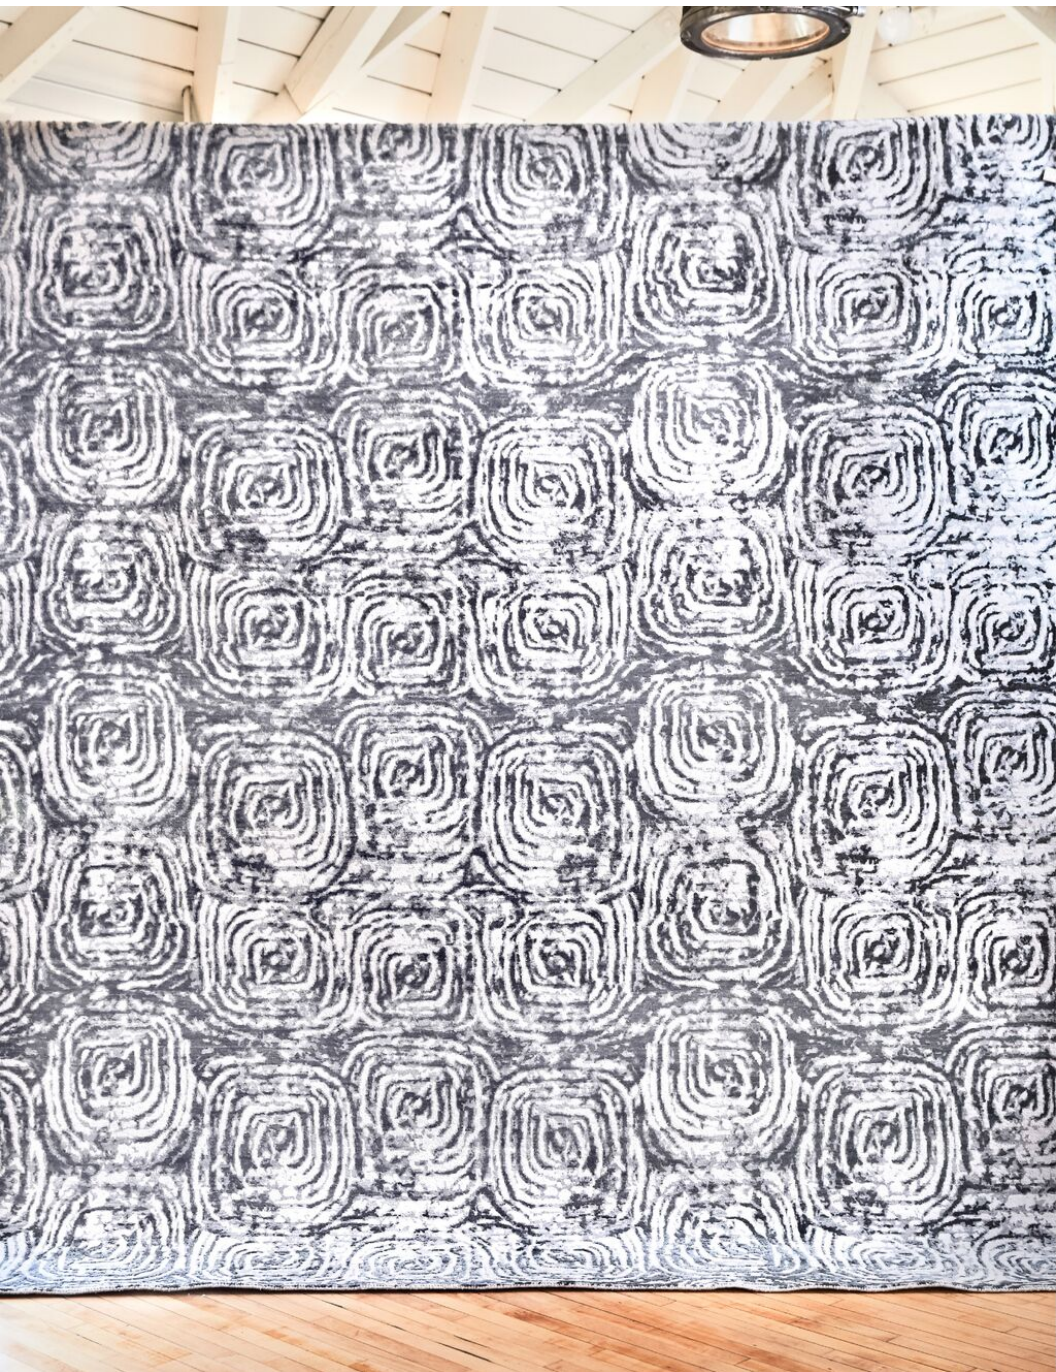

Ocean

Brushstroke

Maze

I search for
beauty in chaos,
and find pattern
in the organic.

Abstract

Undulating
rhythms rise
up from the
floor, while
bold gestures
create balance.

Shattered

Jeff Andrews is an award winning, Los Angeles-based interior designer whose works have been featured in books, magazines, on television and online worldwide. His Jeff Andrews Collection also features furniture for A. Rudin, wallpaper for Astek, and wood surfacing for Jamie Beckwith Collection. He is currently working on his first book for Rizzoli, due in 2019.

@jeffandrewsdsgn

Mansour Modern is a gallery-style showroom and couture rug collection representing the evolution of the Mansour brand, setting the bar high in their approach to contemporary design. The concept is simple: produce the most unique modern rugs in both visual and tactile appeal by utilizing Old-World savoir-fair partnered with innovative materials and techniques.
